## FIRST ANNUAL DAY OF THE PACKERS — GREAT SUCCESS —

The First Annual **Day of the Packers** was a great success! For those of you who didn't attend, this fun event was held on Saturday, May 8, 1993 at Ak-Sar-Ben with races at 1:00 p.m. and the dance at 8:00 p.m. in the Coliseum. This "fun" and "fund" raiser provided more money to help your Alumni Association help your school — but the main purpose was social and we're all looking forward to the next event.

300 Packers, representing the decades from the 20s through the 80s, attended the dance. Chris Saklar (class of 50) & The Coalition provided the music — which proved to be a wise choice because they

played selections from many different eras.

The atmosphere was so cordial that conversations prevailed late into the evening. Old acquaintances were renewed and new friends were made. There just didn't seem to be enough time to talk with everyone.

Even though the weather didn't cooperate during the afternoon, several brave Packers attended the races and cashed in a few winning tickets. All said it was great to visit with Coach Murray.

What do you think about having a Second Annual Day of the Packers in 1994? Send your suggestions to our President and watch for details in your next newsletter.

## SECOND ANNUAL SOUTH HIGH SCHOOL ALUMNI ASSOCIATION MEETING

Second annual meeting of South High School Alumni Association will be held Saturday, October 2, 1993 at 9:00 a.m. in the Vocal Music Room at South High School. **All alumni and friends of SHS are invited.** Agenda items include election or re-election of six board members whose terms expire. If you are interested in running for a board position, please send our President a short biographical sketch by September 20 so we can add your name to the ballot.

We will have reports from the Secretary and Treasurer (including a year end report), as well as from the following committees: Newsletter, School Activities, Fund Raising, and Day of the Packers. We'd like your input regarding making the "Day of the Packers" an annual event.

**REFRESHMENTS WILL BE SERVED DURING A SOCIAL HOUR FOLLOWING THE GENERAL MEETING. PLEASE JOIN US!**

## OLIVER

By Judy (Jensen) Tesar

It was a real joy to return to SHS for the first performance in the newly constructed theater. The sound system is excellent, the seating very comfortable and the decor very pleasing to the eye.

The 100 young adults performing in **Oliver** were absolutely excellent. They were all well-trained and very poised. Their voices were very professional and listening to the familiar musical numbers was a real thrill. Congratulations to Jim Eisenhardt and his group of talented youngsters for putting on such a fine performance.

# HONORS BANQUET

by Judy (Jensen) Tesar

On March 23, 1993, the Xerox Corporation and SHS held their Seventh Annual Honors Banquet at the Milo Bail Student Center at the University of Nebraska at Omaha. This was an Adopt-A-School Program function. This program is a partnership between the Xerox Corporation and SHS which is described as one of mutual exchange whereby the two organizations "get inside one another and truly try to understand what the other is made of and why. In trying to understand who we are, why we do what we do, and how we can do it better, a tremendous exchange of ideas and energies emerge. What emerges is a caring and sharing partnership. What emerges is a better Xerox and a better South High School." Your Alumni Association joins the faculty and students in saluting Xerox for this outstanding program benefiting SHS.

During this banquet, 45 SHS students received awards. It was so rewarding to listen to the positive comments made regarding SHS students and, of course, the students were thrilled to be honored.

Individuals who were elected to the SHS HALL OF FAME included Herman E. Myers, Jr., Bernice Labeledz, Julie Zelenka, Jo Ann Kyrol and Rudy Tesar. These SHS Alumni were nominated because of their individual successes in all walks of life and their leadership qualities were highlighted during this award presentation.

Congratulations to these outstanding alumni representatives!

# PRESIDENT'S CORNER

by Dick Gulizia

I apologize for being unable to mail copies of our first newsletter to SHS Alumni who graduated between 1900 and 1930 nor to those who attended SHS but did not graduate nor to past SHS teachers. However, I do not have any published names, addresses or telephone numbers to enter into our databank. We also need names and addresses for the classes of 1965, 1968, 1974, 1977, 1978, 1979, 1980 and 1981. We are actively seeking this information and would appreciate your help. If you know of anyone who has these lists or fits these categories and did not receive our first

*TOOTER*, please let me know how to reach them so we can include them in future mailings.

We presently have about 20,000 names and addresses in our databank, and each of you will receive a copy of this newsletter. We sent 17,500 copies of our first *ALUMNI TOOTER* and have corrected the address changes we received from that mailing. A great job by our computer committee!

We thank you for your generous donations following our first newsletter. (Donors will be listed in a future *ALUMNI TOOTER*.) Your support of your school is so important to ensure quality education and participation in special activities for future Packers. Please consider how you can use your time, talent and/or funds to benefit your school. I also am grateful that you sent information about yourselves and

names and addresses of missing alumni. It was great fun reading through the many bags of mail we received. Some of your notes are capsulized in the AlumNotes section of this newsletter.

Our first year as an Alumni Association has been an exciting and productive one. The Board has found its direction. We presented our first \$500 scholarship to graduate Brandi Krimmel, whose parents both happen to be SHS Alumni. We also gave \$2,000 to the SHS Faculty for special projects. We held two successful events — the Chili Feed reported in your first newsletter, and the *First Annual Day of the Packers* reported in this issue. This is what we are all about — bringing benefit to you, our fellow alumni and to our school. Again, we need and appreciate your continuing support and interest.

## SOUTH BECKONS ALL GRADS

That was the headline on *Omaha World-Herald* staff writer, Jim Ivey's, feature article on SHS prior to our First Annual Day of the Packers outing. Ivey included information regarding our oldest known graduates — Eunice Connaway Lehmer - 1910, Lydia Henni Berry - 1917, and Merle Curti - 1916. Curti is a professor emeritus of history at the University of Wisconsin at age 95 and won a Pulitzer Prize in 1944 — crediting his success to the education he received at SHS and especially thanking

his English and History teachers, Juliette Bednar and Cecilia Chase.

Ivey stated that SHS was not always part of the Omaha School District. In 1886 the South Omaha School District was founded for the separate city of South Omaha. SHS opened in 1889 at what is now the Polish Home - 25th and L Streets. It was moved to its present site about 1903 and the new school was built in 1925. In 1939 it was the largest high school in the state with 3,600 students. (Today's enrollment is about 1,300.)

If you would like to have a copy of the entire article, please send a self-addressed stamped envelope to your Alumni Association.

## ALUMNI MAKING A DIFFERENCE

Thanks to John Krayneski (class of 61) and Beverly Moravec Krayneski (class of 62) and other members of John's family who raised \$1,500 (through charter life time membership sales) for the specific purpose of purchasing a computer for our data bank process.

Also thanks to Jim Becher (class of 61) and his *Omaha Graphics* employees who set and printed this issue of your *TOOTER*.

Way to go SHS Alumni -- you're making your Alumni Association a great success!

## ALUMNOTES

**1914** - Emily Nystrom Gentry and 1925 - Alice Nystrom Wiberg - Mrs. Gentry the first *Tooter* editor in 1913 and 1914, is one of the oldest known living SHS graduate. She was also one of the first two people who taught Home Economics at SHS and was chosen as 1951 Nebraska "Mother of the Year." Both Emily and her sister Alice, 96 and 85 years young respectively, are in good health leading active lives, each in her own apartment in western Nebraska.

**1917** - Lydia Henni Berry - played the piano in the SHS orchestra and now plays for Masonic Manor socials. She was student secretary to Principal Marrs. Her parents owned a store across the street from the school, where her father sold lunches to SHS students.

**1930** - Dorothy Long Mikovec - SHS Alumni Association Class Contact for 1930. Mrs. Mikovec writes "As the years go by many of us must slow down, but we must remember we are as old as we want to be. Of course I know we cannot be teenagers, but we can be Senior Teenagers, and enjoy as much of life as we let ourselves." The 1930 class held their 63rd annual reunion at the Bohemian Cafe on August 27, 1993.

**1933** - Evelyn Bennington Martin and Wilson Martin - have spent many years serving as pastors in Wisconsin and Arizona, and are now retired and enjoying beautiful Arizona.

**1937** - Dorothy Pipal Behler - was mayor of LeShara, Nebraska, her "adopted" town for 4-1/2 years. She is now busy with volunteer work and looks forward to returning to SHS for the Open House this fall.

## DON'T LET THIS BE YOUR LAST ISSUE OF THE "TOOTER!"

It costs your Alumni Association almost \$5,000 to print and mail each issue of the *Alumni Tooter* to the 20,000 names in our computer bank. As you can imagine, we cannot continue this unlimited mailing if we are to collect funds to help SHS. We will continue sending issues to all members and would be delighted to include you in our membership rolls (application on page 7).

# TONGUE TWISTER

by Miss Winfred Remley (1936)

I'm just a little Irish girl trying to teach  
down at South High

I have such awful names to learn, I think  
I'll almost die.

Now Hannigan and Egan, and Kelley  
and the like

Sound as natural to me as Patrick and  
Mike.

But there's Shavalinsky, Sherwinsky,  
Sakalosky, Kahout, Mikulecky, Nirowski,  
Uzdavinis, Ballew, Yankowski,  
Dombrowski, Proposki, Krakowski,  
Pakorski, Sobaslawski, Zikowski,  
Konowski,

There's Dziedzic and Sabaitas,  
Jakabouskas, Gragaitas,

There's Reznicek and Kralicek,  
Haloubek, and Palacek,

There's Barisas and Armoskis, Bilunas  
and Waszges, Tschnabuschnig and Tyloski,  
Daskiewicz and Dombrowski.

There's Chhatloupka and Czerwinis,  
Leonowitz and Balthritis, Letarro, Perina,  
Massara, Medina.

There's Russo, and Matteo, Picazzo and  
Varriano, Totusek and Tomasen,  
Chimburek and Jonasek.

Thus they roll from my tongue from  
morning til night.

Is it any wonder now I don't speak  
English right.

# MEMORIES OF SHS DEAN OF WOMEN 1949 TO 1983

I spent a whole generation (34 years)  
completing my trip amongst the most solid  
persons on earth. South Omaha presented  
a panorama of ideas and practices ac-  
cording to the ethnic, racial and  
religious affiliations of our com-  
munity. I recall the very real  
battleground of our first football  
game of every season with our  
arch-rival, Creighton Prep. We  
were A-1 in sports, drama, music,  
art, clubs and academics. I believe  
South High School needs a strong  
Alumni Association — there is  
always a good feeling when meeting  
another Packer.

May God bless each of you!

# LITTLE PACKERS BIG AMBITIONS

By Dewey Wade,  
Former SHS Teacher / Coach

In the spring of 1960, my first thought  
upon learning that I was to coach the fresh-  
man track team at SHS was the 880 yard  
relay. That was the one event in the  
Intercity League Meet each year where the  
freshman team could score points for their  
varsity brothers. The frosh team that won  
that event could be awarded varsity letters.

The Packers had always been strong in  
football, basketball, wrestling, and baseball  
— but track seemed to be a weak link. Our  
freshman were going to change that  
and begin a proud winning tradi-  
tion for South Omahans.

We had one big problem  
though. Only one running  
prospect showed up for our  
championship relay team —  
Dave McMahill. He was  
more interested in the dis-  
tance events than in running  
a leg of the relay. But thanks  
to Coaches Ed Mandl and  
Mickey Sparano, we found our  
other three prospects in Lonnie and  
Ronnie Bernth and Jim Weaks —  
members of the freshman baseball  
team. They reported to track following  
baseball practice each day. It was usually  
dark by then.

But they were going to be the champions  
and they worked long and hard in the dark  
— running the curves and perfecting the  
baton exchange. And they did one thing  
different from their competitors. Lonnie,  
our second fastest sprinter, would lead off  
— followed by Dave. Then our true anchor  
and speed burner, Ronnie, would run third  
leaving Jim to face our opponents' best run-  
ners.

Weaks instructions were simple — he  
would get the baton with the lead and  
would run for his life for the curve and  
inside lane.

In those days the baton  
hand-off was in the  
middle of the track  
rather than on the  
curve. He needed the  
inside lane to win.  
We hoped his speedy  
competitors would try  
to pass him on the  
curve, thereby  
adding from three  
to five yards to  
their own foot race.

They practiced  
and practiced —

four little Packers and one untrained coach  
in the darkness of the night on a track in  
the Hole that only South Omahans would  
understand.

Then it rained on the Day of the Meet and  
like so many spring days in Omaha,  
it was cold. Maybe the weather would give  
the Packers an advantage? But it didn't,  
and when the relays were about the begin,  
Lincoln High was out front in the scoring  
with Central, Tech and North well behind.  
The South Varsity had a point on a fifth  
place finish from the mile run and a frac-  
tion of a point off of the high jump. The  
Varsity would end up last if our freshmen  
didn't come through. It seemed colder and  
wetter as the start time approached

When the gun sounded for the  
first section of the freshman 880  
relay, Lonnie exploded out of  
the blocks and raced his  
lane around the curve and  
we had the lead by inch-  
es. Then the baton  
exchange — McMahill  
suddenly had a two-yard  
lead and the inside lane.

He ran smooth and re-  
laxed and his exchange to  
Ronnie was perfect — but  
Central and Tech runners were  
heading for the curve and the  
inside lane. My heart was in my  
throat and I couldn't tell if it was beating or  
if I was breathing.

When Ronnie got the baton, he caught  
both of the opposing runners at the curve  
and raced in ahead of the pack. It was up  
to Weaks now against the best freshmen  
sprinters in the league. Weaks raced for  
the curve and the inside lane and kept his  
arms pumping to keep runners off of his  
shoulders and out of his lane. If they were  
going to pass him, they would have to do it  
in the second and third lanes. That meant  
covering three to five more yards which  
was the advantage we needed.

It worked — the Tech, Central and North  
anchor men were dueling each other in  
the next three lanes. Weaks was in front  
by a yard going into the straightaway with  
55 yards to go. He ran relaxed and fluid  
while the others appeared tight and  
strained. Tech finished second, Central  
third, and North fourth with a tenth of a  
second separating each team. Abraham  
Lincoln finished fifth on the time compari-  
son after winning the second heat in a  
much slower time.

Not too long ago someone asked me what  
my biggest thrill was as an athlete or  
coach. Actually I thought that every game  
and season was a real honor, but that cold  
wet day the little Packers stood tall was  
really something special.

**1940 - Josephine Citta Godown** - received her teacher's certificate at graduation, taught three years, married, returned to school to become a LPN, worked 18-1/2 years in nursing, now retired. Mr. and Mrs. Godown have been married 50 years as of July 3, 1993. \*

**1942 - Loretta Fucinaro Gomez and John Gomez** - John worked for 43 years at Swift Packing in Omaha. They have five sons and nine grandchildren and celebrated 50 years of marriage in November 1992. \*

\*Congratulations to both of these couples on their 50 year marriages!

**1955 - Phyllis Troudt Sandstedt** - writes "Congratulations on the successful establishment of the SHS Alumni Association. As a 1955 graduate and public school teacher in Omaha (two years) and

Colorado (24 years) I have always valued and respected the high quality of education I received at SHS. I am very happy to pledge my support now and in the future, with considerations regarding my will. I request that extra money I send will be spent to help disadvantaged youth stay in school.

I have just recently retired from teaching to work in my husband's office which also deals with a national organization of teachers. He too, is an educator and author of student textbooks teaching Foreign Language (Spanish). I remember Miss Alice Giiter at SHS who was way ahead of her time in teaching Spanish. Her methods were outstanding. The salute to Mr. Heinrichs was a wonderful choice for the Alumni Tooter article and I recently enjoyed visiting with him in Omaha. Even though I am 500 miles away and starting a new job that works with over 16,000 teachers across the United States, I am willing to help if I can."

**1960 - Paul Limas** - is serving as Superintendent of Schools in Brainard, Nebraska.

**1961 - Carl Schroeder** - appointed as Omaha postmaster in the fall of 1992. He is a 28 year postal service veteran who looks forward to being back in Omaha after numerous positions elsewhere in Nebraska.

**1961 - Shari Zagor Hofschire** - was recently elected President of the District 66 Board of Education.

**1963 - Jack Schoville** - Memorial services were conducted in Bellevue for this decorated Vietnam War veteran. Mr. Schoville died of throat cancer, which his family believes was caused by Agent Orange. He was awarded the Bronze Star for Valor as a staff sergeant, for his actions while under heavy fire during a "search and destroy mission" in 1969. He was also awarded the Purple Heart and seven other medals during his three tours in Vietnam.

**1963 - Dean Rezac** - is area Superintendent and VP of Linde/Ronco Construction Co. and was the major overseer of the major remodeling work at SHS (and has done a marvelous job according to the SHS faculty). Dean is married to classmate Candy Fahey. Dean, who went into construction right after graduation, attributes his career to shop classes at SHS. He strongly urges all SHS Alumni to join the Alumni Association to help future students further their academic and athletic careers.
